In India, welcoming guests at home is a warm and hospitable tradition. I ~~do~~ know many people who are good at welcoming others, but here I am going to talk about my aunt whose name is _____ . She is a true expert at making abade.

I got to know her at a family gathering, and her kindness left a lasting impression. She has a natural warmth that instantly makes you feel like a cherished member of the family. Apart from this, her welcoming style shows in all the little things. I really appreciate her caring nature. She enjoys cooking, so she prepares different kind of dishes for guests. She ensures you have a comfortable place to relax and insists on serving a delightful cup of tea or homemade snacks.

I have visited her home many times, and her ability to create an atmosphere of homely bliss is remarkable. As a talkative person, she always engages in conversation with others.
