### Vocabulary

Hurdle :-> Difficult

messed up :- disordered

constant noise - continuous or unvarying sound

challenge :- Hardship, dilemma

### Idiom

hard nut to crack - difficult task

### Sample

In today's era, finding a quite place is really hard nut to crack due to noise everywhere - at railway station, bus stops, malls and market. Now, let me share an occasion when I faced hurdle owing to noise. It happened a year ago during my final exams when a three-day neighbourhood wedding messed up my study routine.

Apart from this, the loud Dj & music and constant noise made it hard for me to concentrate. I tried using headphones and finding a quiet spot to study. I also spoke with my neighbor, asking for some quiet during my study hours. Balancing my studies was a challenge. As I felt frustrated and stressed about the situation. The continuous noise from the wedding festivities made it challenging to prepare for ~~my~~ my exams.

Followups

Ques what kinds of places should be noise-free?

Ans There are a number of places that ~~are~~ <sup>should be</sup> noise free, including libraries, educational institutions, residential areas, and nature reserves or parks. Hospitals, offices, and places of worship also benefit from being quiet, helping patients rest, allowing focused work and providing a peaceful atmosphere for prayer.

Ques on what occasions do people need to be quiet?

Ans According to my perspective, there are a plethora of places where quietness is crucial, such as during exams, in libraries, ~~and~~ <sup>in</sup> public transportation. Apart from this, when sitting with family, or in any lecture room.

Ques Can people bring children to these noise-free places?

Ans: Yes, parents can bring kids to calm places like parks or special areas for families. These spots are a bit quiet, but still, ~~not~~ <sup>They can</sup> kids have fun while being considerate of others. It's a good option for families to spend time together.

Ques Is noise pollution serious in India?

Ans Yes noise pollution is a serious concern in India. Many urban areas face high levels of noise due to traffic, construction, festivals, and other activities. This poses health risks, including stress and hearing problems, and affects <sup>one's</sup> overall well-being.

Ques Do you like to go noisy places?

Ans I don't like going to bustling areas because they make me feel stressed. I prefer quieter spots where I can relax and ~~not~~ do not have to deal with the ~~is~~ hustle and bustle.
