2 Describe a Person who likes to read a lot.

- > who this person is
- > How you knew him/her
- > what he/she likes to read
- > And explain why you think he/she likes to read a lot.

well, from my childhood to this present time I met numerous individuals who have different hobbies like reading books, singing so on. Here I would like to talk about a person whom I receive from the core of heart he/she is bibliophile and really fond of reading books. He is none other than my elder sister.

Actually, she is in her late 20's and working as a lecturer in well reputed university of Chandigarh.

She is quite benevolent and industrious person. Since my childhood, I have seen her reading myriad books, novels, newspapers and magazines. She has a separate study room where she often spends her evenings and read different sorts of stuff. Whenever I question her that why she read a lot, she simply replies, reading is a stress-buster activity for her. She feels refreshed and rejuvenated after

Reading and writing some notes.

She has different kind of curiosity to learn new vocabulary words and write it her diary. In this way, she not only enhance her knowledge - but also her vocabulary. She feels gratification after learning new words.

Apart from this, she always use unique vocabulary when she speaks English. It not solely boosts her confidence, but also enhances her personality front of others.

Moreover, she always put her best foot forward to teach needy students of my locality, which is one of her best traits. ~~So~~, I feel blessed to have her as my elder sister. I always learn numerous life lesson from her.
